country & equestrian holiday accommodation

## Equestrian Visitors Terms and Conditions

We wish for all visitors to enjoy their stay with us safely. In order for everyone to understand what is expected, acceptable and for the benefit of all, the following rules will apply:

- On departure, loose boxes must be left in clean and tidy condition, or a fee of £25.00 will be charged. If you would like to pre-arrange for your box to be cleaned for you, please let us know at time of booking or as soon as possible after you arrive.
- When mucking out, do not overfill barrows and please ensure that any loose bedding does not soil the stable yard, or the general surrounding area. Please clean up any muck, or mud left by your horse in the stable yard and turning out paddock.
- Please do not waste water as we are on a meter. Do not use the hosepipe unless you are bathing your horse, or treating a wound. If you are cooling your horse down after a ride, please use a bucket of water and a sponge.
- Every effort is made to check that our grazing paddocks are clear of any potential risks and hazards to your horse, but it is the horse owner's responsibility to check grazing areas are safe, before turning their horse out.
- Tack and possessions are left in the tack room, or on the premises at the horse owner's risk.
- Rew Farm will not accept any liability or responsibility for loss or injury to horses, items of tack, personal belongings of the horse owner/hirer or the horse owner/hirer's trailer, lorry or horse transportation. It is the responsibility of the horse owner/hirer to arrange appropriate insurance in respect of all of these items.
- The horse owner/hirer is responsible for their horse's actions at all times and any injury caused to themselves or others, or to Rew Farm property. Any accidents or damage will be notified immediately to the owners of Rew Farm and paid for before departure.
- Worming is very important for the health of all horses that use the yard and for the welfare of our fields, so horses must be wormed prior to arrival (ideally 24 hours before) in order to take advantage of turning out your horse during your stay.
- Horses must be fully insured and have a passport. All horses must be vaccinated as a minimum against Flu and Tetanus.
- Children under the age of 18 must be supervised at all times. Please do not bring dogs into the stable yard.

I have read and agreed to the above terms and conditions.
